Dear staff member,

As an update to our letter of March 3, the JGH Parking Committee has been successful in securing a new parking lot for staff at 3195 Bedford.

Staff members will be able to get into this lot from Bedford Road, as shown in this map:

The new lot is at equal distance to the JGH as Plaza Côte-des-Neiges. Therefore, we do not expect any significant change in shuttle time.

Appropriate JGH signage will be installed on Bedford to guide you into the new parking area.

Employees who now park at Plaza Côte-des-Neiges are asked to use this new area as of Sunday, March 20. Shuttle-bus service from this lot will continue on the same schedule that is now in place at Plaza Côte-des-Neiges.

Thank you for your patience and understanding.

The JGH Parking Committee
