Summer 2011

Construction Update

The latest update focuses on **Légaré Street**.

Beginning Saturday, July 16, Légaré between Côte Sainte-Catherine Road and Bourret Avenue will be closed to all through traffic—vehicular and pedestrian—until this fall. This will allow construction crews to start working on a tunnel beneath Légaré that will provide access to the underground parking lot associated with Pavilion K.

Patients will still be able to be picked up and dropped off at the Légaré entrance, but no parking will be permitted at or near the entrance. Cars will now be able enter and leave Légaré only at Côte Sainte-Catherine.

To ease pressure on the Légaré entrance, visitors are encouraged to use the Côte-des-Neiges or Côte Sainte-Catherine entrances when picking up or dropping off patients.

If you have any questions, please turn to your healthcare provider. You can also call extension 2494 or email pavk@jgh.mcgill.ca.

The JGH apologizes for any inconvenience that these changes may cause and thanks you for your patience and cooperation.
